

UPDATE ON NOMINATION OF CANDIDATES

NAIROBI Monday, May 29, 2017

The nomination process continues today and The Commission would like to appraise as follows regarding candidates who had disputes arising from their parties' nominations exercise.

Where the Political Parties Disputes Tribunal (PPDT) has issued a ruling nullifying a nomination certificate of certain political party aspirants, the political party in this instance is supposed to implement the ruling by issuing a certificate as per the ruling of the PPDT.

In instances where TWO aspirants present themselves from the same Party; one presenting a nomination certificate while another presenting an order from PPDT, both aspirants will NOT be cleared.

Our Returning Officers countrywide are clearing candidates with adherence to the law and will only clear an aspirant if;

- The Political Party executes the order of the Tribunal nullifying the certificate originally issued to an aspirant and issues another certificate as per the ruling of the court.
- An aspirant presents an order from the High Court compelling the Party to comply with the PPDT order and has been issued with a nomination certificate by the same Party.
