

ADDENDUM 3

DATE: 22th February, 2022

TENDER NO: IEBC/OT/22/027/2021-2022-

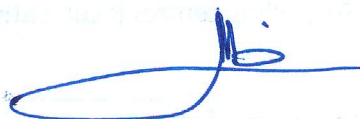

Supply and Delivery of KIEMS Network for 2022 General Election

Pursuant to section 75(1) of the Public Procurement and Assets Disposal Act, 2015 the Commission hereby makes a clarification of the above tender as follows: -

QUERY	RESPONSE
Sim Cards capacities for the Diaspora	50 Mb data bundles without expiry
<p>Clarify/advise whether the sample forms below are applicable to this bid as MNOS are not Construction firms in our letter dated 7th Feb 2022 vide Ref: SAF/EBU/ IEBC/OT/022/27/2022 /VOL.01</p> <ul style="list-style-type: none"> • Average Annual Construction Turnover page 52. • FORM EXP- 4.1 General Construction Experience page 54. • FORM EXP - 4.2 (a) -Specific Construction and Contract Management Experience page 55. • FORMEXP- 4.2(b) - Construction Experience in Key Activities page 56. 	<p>These are Standard Tender Documents developed by the Regulator, and are not to be altered by any means.</p> <p>Please fill the Forms relevant to your bid. However, do not leave any form blank; just indicate "not applicable to this bid" on forms not relevant.</p>
GPS co-ordinates for 27,241 polling centres and Precision of the GPS coordinates.	<ul style="list-style-type: none"> • In the last meeting with CA, the Commission requested to be provided with the names of the outlier polling centres (Uganda, Ethiopia and Somalia). The Commission will collect the GPS –co-ordinates again for the affected outlier polling centres in an ongoing exercise. • The Commission has provided the MNOs with GPS co-ordinates for 24,594 polling centres. The exercise for collecting the remaining 2897 polling centres is currently ongoing.
For Lot 2 Satellite services , you requested for a 1GB point to point link to both data center 1 and 2 , is this a dedicated lease line to both data center from satellite gateway ?	<ul style="list-style-type: none"> • For local companies they can provide physical point to point links from their core networks to IEBC Data Center core network. For International companies, they shall provide a minimum of 100Mbps bandwidth burstable to 1GBPS IPSEC VPN to IEBC data Center.
If yes , based on the tender requirement , 1Gb is really high and will cost IEBC a lot , based on system design and recommendation a 50MB lease line link	<ul style="list-style-type: none"> • The minimum of 100Mbps bandwidth burstable to 1GBPS IPSEC VPN to IEBC data Center Point to point link was

<p>to each data center will be more than enough, should we suggest that in pricing ?</p>	<p>requirements per SIM card and the total results transmission payload for at least 53,000 SIM cards</p> <p>The estimated SIM card bandwidth requirements below for all the 53,000 KIEMS tablets in your provisioning for the capacity of the data pool</p> <ul style="list-style-type: none"> i. Scanned image=500Kb ii. Alphanumeric data=100Kb iii. Transmission of scanned images and alphanumeric data per election=1Mb iv. Transmission of scanned images for all the 6 elections = 6Mb
<p>Is the quote for this bandwidth only for five days , or we should consider other period for activation , if yes , how many days/months to be considered and quote for and should we make it on demand ?</p>	<ul style="list-style-type: none"> • The quote is for five days only. Since this is a framework contract, additional or on demand bandwidth shall be requested as and when required.
<p>Kindly notice that Thuraya services isn't covering North and South America , so USA , Canada offices will not be able to use Thuraya IP+ devices , should we suggest other tools , or there will be no need for these terminals ?</p>	<p>This is noted and the Commission clearly understands the technical reasons behind your network not covering North and South America, so USA, Canada offices. In the last election South Africa was not covered. The areas not covered shall be covered by the GSM international roaming requested on LOT1 of this tender.</p>
<p>We will submit our proposal under the Name of our Service Provider Safa ITC -UAE , and we are the local and official partner for them in Kenya, should we submit all our documents (our service provider and our certificates and licenses as well) as partners?</p>	<p>Yes. All partners MUST submit documents as per Mandatory requirement under "Preliminary Eligibility Evaluation" and any other Mandatory Requirements.</p>
<p>Maximum number of members in the Joint Venture(JV) shall be:[NONE]</p>	<p>Maximum number of members in the Joint Venture(JV) shall be: Two (2)</p>
